SUMMARY OF QUALIFICATIONS

Senior auditor with four years experience at a top auditing firm, with specific experience in loan valuation and credit risk evaluation.

EXPERIENCE

ABC & CO, Tokyo, Japan

2000 - Present

Audit client's financial statement under Generally Accepted Accounting Principles

Senior Staff, Audit Department

- Audited client's financial statement under United States' Generally Accepted Accounting Principles. Main client is an excellent bank in Japan with stocks listed on U.S. Securities and Exchange Commission.
- Evaluated appropriateness of client's assessment of expected losses as a result of borrower's default in the future considering risks, especially credit risk.
 - Analyzed borrower's financial condition, future cash flow and quantity and quality of security for a loan.
 - Negotiated with client to amend inappropriate part of the assessment, as a result client has never been ordered to restate the financial statement so far by authorities.
- Audited two mid-sized client's financial statement as an audit team leader, which resulted in an increase in audit fees.
- Provided on-the-job training for more than ten co-workers to perform appropriate audit method for the situation.
- One of only four (out of 100) employees selected by HR as leaders to recruit new personnel.
- One of only six (out of 100) employees selected by HR as the trainee in ABC & CO New York office.

ABC FIRE & MARINE INSURANCE CO., LTD., Nagoya, Japan

1996 – 1999

Insurance Sales Advisor to agencies, Sales Department in Nagoya

- Managed and supervised agencies to increase insurance sales. Collaborated with co-worker to establish and maintain close relationships with one of the most important agency (*****Co., Ltd.). The amount of insurance premium obtained through this agency recorded number one in the company during 1996-1999.
- Awarded General Manager prize out of 100 employees, for securing an insurance contract over ¥10 million.
